

## Versalift United Kingdom Limited

Updated Company Statement – Covid-19 – 8th June 2020.

Dear valued customers, suppliers and stakeholders.

Over recent weeks, our management have worked tirelessly to mitigate employee and customer exposure to Coronavirus and have followed government guidance to ensure we maintain a safe working environment.

Since The Government announced it's lockdown on Monday 23rd March, we have continued to monitor and evaluate the evolving situation.

Following the latest HM Government guidelines, and to ensure a safe working environment for both our employees and contractors, we will now be introducing a two shift production system, promoting social distancing where possible; with a plan to be fully operational from Monday 6th July 2020. Thereafter, we will be fully productive, both in the manufacture of new platform installations and with the resourcing of our after sales support proposition.

A working rota continues to be enforced, and members of our senior management team are both working from home and the Versalift facility. The sales team, accounts team and key administrators continue to work from home and the Versalift office on a rotational basis, and are available by mobile and email.

**Our Product Support Department is operational and working to support our customers.**

For product support, service and contractual requirements please call:  
01536 721010 or email:-  
[support@versalift.co.uk](mailto:support@versalift.co.uk)

For the supply of parts please call:  
01536 721010 or email:-  
[parts@versalift.co.uk](mailto:parts@versalift.co.uk)

### Sales & Administration Support

For sales enquiries or queries please contact our sales team on their respective mobiles or email:  
[sales@versalift.co.uk](mailto:sales@versalift.co.uk)

We would like to thank all of our customers, employees and suppliers for their continued support during these extremely testing and difficult times.

Take care and stay safe.
