**SUBJECT: Joystick Guard**

**SERVICE BULLETIN REF. 061102**

**DATE: 7 November 06**

An optional joystick guard has been introduced on all Versalift ET model machines fitted with the single joystick control system. This guard will eliminate any possibility of inadvertent operation of the joystick and thus further enhance the safety of the machines.

It is possible to retrofit this guard to earlier machines and the guard is available under part number VDL1058-53 at a price of £32.00 plus VAT ex works.

This bulletin is for technical information purposes only and does not constitute authority for mandatory replacement of parts or warranty claim submission.
